

## **Levanta Renewables Achieves Financial Close and Issues Notice to Proceed for Barotac 166 MWp Solar PV and 80 MWh BESS Project in the Philippines**

**Singapore, 4 JUNE 2026** — Levanta Renewables has achieved Financial Close and issued the Notice to Proceed (NTP) for the Barotac Solar Power and Battery Energy Storage System (BESS) project in the Visayas, Philippines.

The project comprises a 166 MWp ground-mounted solar photovoltaic (PV) facility integrated with an 80 MWh Battery Energy Storage System (BESS). Project financing has been secured from two leading banks.

Pramod Singh, CEO of Levanta Renewables, said, *“The achievement of Financial Close marks an important milestone for the Barotac Solar Power and BESS project. We are pleased to move into the execution phase and appreciate the support of our financing partners and project stakeholders.”*

The project was awarded a Power Purchase Agreement (PPA) under the Philippines Department of Energy’s Green Energy Auction Program Round 4 (GEA-4) and is targeting commercial operations by mid-2027.

The Barotac Solar Power and BESS project forms a key part of Levanta’s growing renewable energy portfolio in Southeast Asia.
